## OVERVIEW

The Florida League of Cities is pleased to announce its **second Youth Council Photography Competition!** Our goal is to provide a way for Florida's youth councils to showcase favorite aspects of their city.

The photography competition asks youth councils to take a picture that shows **why you love your city**. Take some time to consider why your city is special. What elements do you love the most?

### The application packet must include:

- (1) One to three photos.
- (2) A brief statement of up to 250 words for each photo about how the photo depicts why you love your city. Please include the name of the photographer for each photo.
- (3) A letter of recommendation from the mayor, manager or a councilmember/commissioner.

Your nomination will **NOT** be scored if missing any of the above.

## APPLICATION RULES

- ▶ The Florida League of Cities photography competition is open only to youth councils sponsored by a city, town or village government that is a member of the Florida League of Cities.
- ▶ Photo requirements:
  - All submissions must be digital photos.
  - The submitted photo should be the applicant's original work and not previously published in any format before its submission to this competition.
